This year sees a return to Noosa on the Sunshine Coast. The course this year will run from Thursday to midday Saturday to allow a bit more time for travel home or even a day to spend outside exploring Noosa and surrounds after three days inside!

The **ASDA Sedation Re-Endorsement Program, on Thursday and Friday 25 & 26 May 2023** is ASDA's - AHPRA approved re-endorsement course, consisting of skills improvement workshops on Friday and Simulation based training with two on-site SIMMEN on Saturday. This is the same program we are running at Westmead's Department of Intravenous Sedation.

The **Annual Scientific Meeting** will be held on **Saturday 27 May 2023, from 8am – 12.30pm.** Professor Nigel Robb is our Key Note speaker and will be discussing the new comer on the block – Remimazolam – and Psychological Interventions in Sedation. Check asda.net.au for the program closer to the event.

Note: ASDA is registered for GST, therefore all fees include GST.

This year, **all Re-endorsement registrations for sedationists include annual ASDA membership.** If you are a 2022 Diploma graduate, membership for 2023 is complimentary. Please let us know so we can adjust accordingly.

If you are just attending the ASM on Saturday and haven't yet paid 2023 membership, please let us know so we can adjust accordingly.

Full registration for sedationists (Re-endorsement and ASM) includes complimentary registration of a dental auxiliary (RN/DA/other) to the re-endorsement program and tickets for both the Cocktail Reception and Conference Dinner for the registrant and their auxiliary (if applicable).

Full registration for Diploma students and non-sedating dentists, etc, includes attendance at the Re-endorsement and ASM and one ticket to both evening functions.

Registration for the Re-endorsement only for sedationists similarly includes complimentary registration of an auxiliary and tickets for both to the Cocktail Reception only.
