May 25th - 27th 2023

Peppers Noosa Resort & Villas
33A Viewland Drive, Noosa Heads QLD 4567

Program

ASDA Sedation Re-endorsement Program

Thursday 25th & Friday 26th May 2023

Location	Rainforest Room
Registration	7:30 am
Course	8.00am - 5pm
CPD	14 Scientific Hours
Presenters	TBA

This is ASDA's AHPRA/DBA accredited training for the annual re-endorsement of conscious sedation practitioners. It is also excellent for those dentists and other dental staff performing procedures on sedated patients.

Both days must be completed for re-endorsement.

Program

Practical, simulation-based training in the management of medical emergencies during dental sedation, using crisis resource management principles. With the use of QCPR CPR trainers, ALS man and SIMMAN 3G, there will be a variety of skills development and scenario-based training over two days.

ASDA has made enormous progress as a professional group over the past decade in improving the standard of response by dental teams to medical emergencies. The society will continue to keep its members ahead of regulation, foster its proud history of collegiate learning, and focus on best-practice sedation.
