EMERGENCY MANAGEMENT SKILLS WORKSHOP

Location: *Sheraton Mirage Resort and Spa, Seaworld Drive, Main Beach, Gold Coast, QLD 4217*

Times:

- 8.00 – 8.30am Registration – Meet in Pearls Bar (Top Southern Section)
8.30 – 5 pm Emergency Management Skills Workshops
5 – 5.30 pm Post workshop wrap-up in Pearls bar

This practical workshop to review and refresh practical skills required to manage medical emergencies in the dental practice. It is also an ideal preparation for the Medical Emergencies and the Sedated Patient (AHPRA / DBA re-endorsement for Conscious Sedation) course. It has been developed using feedback from participants on areas felt they requires additional training to comfortably manage emergencies in their practices and on the sedation re-endorsement course.

Building on the program from last year, we will be covering essential workshops including: airways management; applying BLS / ALS protocols (including CPR and Defibrillation), emergency simulation introduction and familiarisation, patient monitoring and physical assessment and leadership/teamwork & communication in emergencies.

Workshops (1.5 hr each) and Presenters:

1. **Communication and teamwork during emergencies – Dr Ken Harrison**
2. **Management of the Collapsed Patient (BLS/ALS) Revision – incorporating the brand NEW ILCOR guidelines: Dr Susmita Bhattacharya**
3. **Management of the deteriorating patient: the ABCDE Protocol – Dr Robert Turnbull / Dr Angelo Preketes**
4. **Airways Management and Cannulation – Dr Michelle Lye Yian Fern**

CPD: 6 Scientific Hours
