ASDA SEDATION REENDORSEMENT PROGRAM

Location: The Sofitel Gold Coast Broadbeach

Times: 8 – 8.30am Registration
8.30am – 5pm Course

Presenters: Dr Ken Harrison, Dr Lorna Workman, Dr Anne Marie McCallum, plus Dr Michael Walker, Dr Robert Turnbull, Dr Angelo Preketes

CPD: 12 Scientific Hours

This is ASDA's AHPRA/DBA accredited training for the annual re-endorsement of conscious sedation practitioners. It is also excellent for dentists performing procedures on sedated patients and their assistants. You must complete both days of this course for reendorsement.

DAY 1: Thursday 9 November 2017– Meet in the Paradise Room 2

These practical workshops are the first day of the AHPRA / DBA approved ASDA Sedation Re-endorsement program. They have been developed using feedback from participants on areas felt they require additional training to comfortably manage emergencies in their practices and on the sedation re-endorsement course.

Building on the program from the last 3 years, we will be covering essential workshops including: airways management; applying BLS / ALS protocols (including CPR refresher), leadership/teamwork & communication in emergencies, cardiac issues and ECG analysis as well as an essential sedation refresher.

DAY 2 – Friday 10 November 2017 – Meet at the Broadbeach Room

We are so excited that we will be using ASDA's *new* SIMMAN ALS, plus the SIMMAN 3G from Westmead for our simulations this year so we don't need to change venues for day 2 of our reendorsement course.

Practical, simulation-based training in the management of medical emergencies during dental sedation, using crisis resource management principles.

WELCOME RECEPTION

Date: Friday 10 Nov 2017

Time: 7pm — 10pm

Location: The Pool Deck @ Sofitel
