

Australian Society of Dental Anaesthesiology

Relative Analgesia Course — Perth, WA

Saturday 16 March 2019

The objective of the course is to enable participants to become proficient and confident in the administration of Relative Analgesia in clinical practice.

The course is also an excellent refresher for dentists wishing to update their theory and practical skills in the delivery of Relative Analgesia.

Participants will be have the opportunity to administer nitrous oxide sedation, and to experience its effects in a safe environment.

Presenter: Dr Robert Turnbull

Times: Registration: 8.30am
Course: 9am – 5pm

Fees: \$990 (including GST)

Venue: Novotel Perth Langley,
221 Adelaide Terrace,
