

Australian Society of Dental Anaesthesiology

Sedation Reendorsement Course — Westmead Friday & Saturday, 14&15 June 2019

This is simulation based training using the principles of Anaesthetic Crisis Resource Management (ACRM) to improve outcomes in an emergency. It is an AHPRA approved sedation reendorsement program.

Day One is designed to refresh and improve the skills required to manage medical emergencies and sedated patients.

Day Two is the immersive, simulation based training – focussing on application of the skills developed on day one. This involves managing medical emergencies in a simulated dental environment, with a focus on developing non-technical skills and the application of the principles of Crisis Resource Management.
